New Heart of the Hospital Socks Offered by Healthmark

Fraser, MI, October 14, 2019 - Healthmark Industries is pleased to announce the new *Heart of the Hospital* socks to its Personal Protection Equipment (PPE) line.

Manufactured in America from 80% Acrylic, 20% Nylon and 10% elastic, the *Heart of the Hospital* socks are designed to honor CS professionals during Central Service Week and all year long. It is the tireless efforts of these unsung heroes that plays an often underappreciated, critical role in the delivery of the best patient care.

Made to provide (non-compression) support for the arch and bottom of the foot, the crew length *Heart of the Hospital* socks are a great addition to any medical professional’s wardrobe. The unisex *Heart of the Hospital* socks are available in Medium: 4-9 (Men shoe size) and 3-8 (Women shoe size); Large: 10-13 (Men shoe size) and 9-12 (Women shoe size).
