

Saturday Webinar: 057 "LIVE 3-Hour MSGNA Michigan Chapter Sponsored by Healthmark"

The MSGNA Chapter is pleased to invite you to attend a **FREE** upcoming Virtual Webinar sponsored by Healthmark Industries to be held **Saturday, December 5th from 9am to 12:30pm**. Please register below in the following link provided. You will receive **3-Hour CEUs** good for IAHCSSM, CBSPD, Nursing, and CBIC for IP Professionals. If attendees want to get together in a group in one location to watch the webinar, please email crojo@hmark.com to receive a special sign-in sheet.

Click Link to Register:

<https://attendee.gotowebinar.com/register/2649854219025863440>

After registering, you will receive a confirmation email containing information about joining the webinar. If you are using a work email, there may be security or policy restrictions from your facility restricting outside emails and you may have to use your personal email. You may want to look in your "Junk Email" folder, since confirmation emails can end up there.

Healthmark Presenters:

John Whelan, Clinical Education Coordinator
Kevin Anderson, Clinical Education Coordinator

Agenda:

9:00 am to 9:10 am **"Welcome & Introductions"**

1. 9:10 am to 10:10 am **"Applicable Standards & Guidelines for Flexible Endoscope Reprocessing"** (John Whelan)

- Discuss key provisions and competency recommendations from AAMI ST91, SGNA, AORN, ECRI, & FDA
- Outline new ST90 national standards for quality systems for reprocessing
- Discuss a process for implementing AAMI standards

10:10 am to 10:15 am: **5 Min Break**

2. 10:15 am to 11:15 am **"Building and Maintaining an Effective Team"** (Kevin Anderson)

- Explain effective team-building strategies for your department
- Explain how to keep a team steadily cohesive and not fickle and culture
- Discuss Principles to engage your team, and the newer generation in your department
- Discuss team building activities and exercises that promote collaboration for teams

11:15 am to 11:20 am: **5 Min Break**

3. 11:20 am to 12:20 pm **"Building Quality into Flexible Endoscope Reprocessing"** (John Whelan)

- Review best practices for manual cleaning of flexible endoscopes
- Review rationale and current recommendations for cleaning verification
- Identify the levels of inspection for flexible endoscopes and options to improve inspection using a borescope

12:20 pm to 12:30 pm **Closing Remarks**
