Healthmark Offers the Clean Label

Fraser, MI, September 6, 2016 - Healthmark Industries has announced the addition of the Clean Label to its Labeling line. Manufactured to convey key information to healthcare professionals, the clean label is intended to conceal and cover the bio symbol on SST systems when transporting clean medical instruments.

The Clean Label provides effective communication among healthcare professionals in various departments. The label is a 4x4 inch design with a removable adhesive backing that has a green colored background and "CLEAN" in white text.
