Healthmark Industries, which develops products for the sterilization, decontamination, storage and security of surgical instruments and other medical devices and accessories, has announced the launch of its latest free, online game focused on proper pouch packaging, according to a news release from Healthmark Industries.

The Adobe Flash-based game, called "WIKI's Pouching Paradise!," is found at [www.Crazy4Clean.com](http://www.Crazy4Clean.com). In this game, participants help WIKI to learn about the best practices of sterile packaging techniques when using peel pouches.
