### **Jahan Azizi Joins Healthmark Industries**

Fraser, MI, July 15, 2019 - Healthmark Industries is proud to announce Jahan Azizi as their new Special Projects Manager.

“We are very excited to welcome Jahan to Healthmark Industries,” says Vice President Ralph Basile. “His expert knowledge and experience as a leader in the healthcare field in will provide guidance and insight to our product development efforts.”

Azizi comes to Healthmark Industries with extensive experience in the healthcare industry. Most recently, Jahan was the Director of Quality/Regulatory Affairs at New Deantronics. In this role as Clinical Engineer at the University of Michigan Health System, he had the responsibility of successfully investigating and reporting issues with medical devices. His focus has been developing ways to improve product and processes.

Jahan’s healthcare career spans more than 30 years, in the fields of quality, regulatory affairs, biomedical engineering and risk management. He has contributed to AAMI News, Biomed Instrument Technology and AORN publications and is the recipient of the 2010 Director’s Special Citation Award, FDA Center for Devices and Radiological Health

Jahan is an active member of the Michigan Society for Clinical Engineering (MSCE) and the Association for the Advancement of Medical Instrumentation.
