### **MSU Spartan Pride Scrub Hats and Bouffant Caps**

Fraser, MI, January 15th, 2019 -Healthmark Industries is excited to announce the addition of Michigan State University Scrub Hats and Bouffant Caps to its Personal Protection Equipment (PPE) accessory line.

Officially licensed by MSU, these scrub hats and bouffant caps are of high quality and are perfect for any Spartan fan! Each cap and hat has the optional style of MSU basketball, Sparty, hockey or football. Disposable scrub hats are manufactured from spunlace non-woven rayon material. Disposable bouffant caps are manufactured with latex-free polypropylene fabric and have an elastic headband for a secure and comfortable fit. The reusable scrub hats are hand-tailored from pre-washed 100% cotton fabric, are machine washable and are one size-fits-most. Both the disposable scrub hats and disposable bouffant caps are one-size-fits-most.

All of our MSU scrub hats and bouffant caps cover the head, nape of neck and ears to confine hair, limiting it as a source of possible contamination, allowing healthcare professionals to complete their important duties all while displaying their Spartan Pride!
