New Magnetic Mat Provides Additional Safety and Security

Fraser, MI July 17, 2017 - Healthmark has announced that they are offering a new Magnetic Mat to its ProTech™ product line.

Designed with strong round-raised magnets, the 12” x 16” purple silicone Magnetic Mat helps prevent items from falling, allowing healthcare professionals to grasp for easy removal. Intended to be utilized as a hands-free “neutral-zone” sharps transfer area, the reusable waterproof mat conforms to all surface shapes and can be fastened to drapes with a standard towel clamp for ease of access. The Magnetic Mat is manufactured with cut-lines that can be split in half for two smaller sizes and is heat resistant up to 275°F.
