NOMINATE YOUR TEAM NOW!

INSIDE THE CURRENT ISSUE

May 2014

Special Focus

Sanford Fargo stands for SPD excellence

Extensive process improvement initiatives, comprehensive education and training, and employee development and progression programs propel Sanford Fargo to the top.

Operating Room

Proper air, water stewardship can leave you breathless

Healthcare organizations that don't carefully and soberly manage the life-giving properties of air and water will rue the life-threatening consequences.

Infection Prevention

Annual salaries stabilize amidst job pressures, security

Average compensation for infection preventionists eked out a modest increase year-over-year even as job security strengthens under healthcare reform.

Salary vs. gender

CS Connection

Technology advances fuel SPD progress, quality assurance goals
