**Instructions for Using Product**

**Description of Use (s)** To organize materials while working. Choose from both mobile and adjustable height workstations.

**Preparation for Use**

- Remove the components of the workstation from the packaging.
- 

**Diagrams (drawings, pictures)**

The diagram consists of four numbered steps:

- Step 1:** A line drawing of a table with a red arrow pointing up from the top surface. Text: "Unscrew and pick up table top".
- Step 2:** A line drawing of the table with the top moved forward. A red circle highlights a hole on the side rail. Text: "Move the table top more to the front and fix with screws again. Holes for hook rail insert will be visible".
- Step 3:** A line drawing showing a hook rail being inserted into the hole on the side rail. Red arrows point to the rail and the hole.
- Step 4:** A final line drawing of the fully assembled workstation with the hook rail in place.

**Steps for Use of Product**

- Unscrew and pick up top table.
- Move the table top more to the front and adjust the screws. Holes for the hook rail insert will be visible.
- Insert hook rail into place.
- Packaging Work Station installation is complete.
