Healthmark Offers New Anti-Fatigue Mat

Fraser, MI, April 13, 2021 - Healthmark Industries is delighted to introduce the Anti-Fatigue Mat to its Personal Protection Equipment (PPE) product line.

Manufactured from energy-return polyurethane foam, the black 0.75-Inch thick Anti-Fatigue Mat is designed for healthcare workers in reprocessing areas to help reduce fatigue and discomfort from standing for long hours. Eco-friendly and providing ergonomic comfort, the Anti-Fatigue Mat has a stain and puncture-resistant surface to prevent absorption of dirt and water, a beveled edge at 18 degrees to reduce tripping potential, matte textured top surface to provide optimum friction and anti-microbial properties for added protection.

The easy-to-clean slip-resistant Anti-Fatigue Mat is equipped with a high-traction bottom surface certified by the National Floor Safety Institute and is offered in the following sizes: 20 x 32 Inches, 24 x 36 Inches, and 20 x 48 Inches.
