Instructions for Use: 72-Hour Indicator Hangtime Label

Brand Name of Product	72-Hour Indicator Hangtime Label
Generic Name of Product	72-Hour Indicator
Product Code Number(s)	HTK-72H, 72D-TS002, 403225-72H
Intended Use	To monitor elapsed time and indicate if the predefined maximum time has been reached.
Range of Applications for Product	Calibrated for use at room temperature.
Key Specifications of Product	72-Hour run-time - Push button activation on top of strip. - Non-toxic, latex, silicone, and PVC free. - Indicator Materials: - Polymeric assembly multilayer - Aluminum-plastic laminate - Encapsulates colored oils. - Adhesive is pressure sensitive: −30 ℃ (or −22 ℉) to 120 ℃ (or 248 ℉). - Once the 72-hour timeline after activation has begun there is an accuracy of plus or minus (±)10%.

Shipping & Storage	
Shipping Conditions & Requirements	N/A
Storage Conditions	Store in cool dark environment, room temperature up to 30 ℃ (or 86 ℉).
Packaging Contents	Box of 100
Shelf Life	Three (3) years from date of manufacture.

| Instructions for Using Product	
Description of Use(s)	To keep track of elapsed time after reprocessing.
Preparation for Use	N/A
Diagrams (drawings, pictures)	Figure 1 Figure 2

	Figure 3	Figure 4
Steps for Use of Product	1. Fill in the information on the designated lines (i.e., Scope Serial #, Initials, Date Activated, Time Activated). Then, firmly squeeze the button to activate the indicator with your thumb ensuring the button has fully collapsed (if activation line does not appear within 2 minutes, squeeze the button again). 2. When the red activation line appears, the indicator has begun logging time. 3. Loop the self-looping label to the item. 4. The red dye will continue to progress until the maximum elapsed time has been reached. If the scope has surpassed the allotted time indicated on the Hangtime tag, follow the facility's policy for reprocessing.	
Interpretation of Test Results	Failure to adequately squeeze can slow the progression of the time indicator.	
Contraindications of Test Results	N/A	
Documentation	N/A	
Special Warnings and Cautions	• For indoor use only. • Not for use outdoors or in high or low temperature conditions, such as a refrigerator. • Do **not** immerse into water.	
Disposal	Single-use. Dispose of in compliance with facility policy.
