

WatchDog AI™

What is it?

What should I do?

How much to repair?

WatchDog AI™, empowering your inspection process with:

Time neutral

WatchDog AI™ will make your inspection process more efficient and effective.

“Sameness” for instruments, technicians, departments and hospital systems.

Reporting

WatchDog AI™ will send reports alerting staff to endoscopes requiring more attention.

Audit readiness

Joint Commission loves WatchDog AI™.

Patient Safety

WatchDog AI™, a platform making healthcare safer for our patients.
